**Working Bee**
The school held a Working Bee last weekend and I would like to thank all the parents, students, friends and staff for attending. A lot of work was completed and the grounds look fantastic! There are now three display cabinets located in the school with one designated to provide communication to the school community and the other two designated to showcase student work. There are also two new tables near the kitchen and garden area which will provide a great environment for the students to eat, talk and work together. The garden area had a further transformation which is nearly complete. The deck attached to the hall was oiled, all the garden areas were cleaned up, tree stumps were removed, soft fall and mulch was dispersed and rubbish was removed from the school grounds.

**School Philosophy and Vision**
A final meeting was held to discuss the School Vision on Thursday 2nd June. Thank-you to all the families that responded to the survey and as a result the motto ‘Targeting Unique Personal Strengths’ will remain. The motto will be displayed across the school and communicated to the whole school community. The school dedicates itself to the development of every child, not just academically but also emotionally and socially. We recognise and acknowledge every child for being themselves and encourage all children to follow their passion in life.

**School Strategic Plan**
I will be holding a meeting on Thursday 9th June at 3:15 pm in the Orange Room for anyone who would like to contribute to the process of developing the School Strategic Plan. This is an important process that directs the school in decision making in relation to Student Achievement, Student Well-Being, Student Engagement and School Productivity. All welcome!

**Sub-Committee Meetings**
- Finance - Monday 6th June (3:15 pm - Staffroom)
- Grounds and Maintenance - Tuesday 14th June (6:00 pm: Staffroom)
- Fundraising - Tuesday 7th June (3:15 pm: Kitchen)

**Sporting Schools**
There will be a small gymnastics performance from all the students next Monday at 2:45 pm on the stage. We would love to see as many parents as possible.

**Cross Country**
Congratulations to the students who participated in the District Cross Country Championship on Monday. All the students tried their best and represented our school in the best possible way. Natalie will be continuing on to the Regional level and we all wish her all the best.
