Swimming
Our swimming program began this week and I would like to congratulate all the students on their behaviour and effort! All students will continue to have double lessons over the next 4 weeks. The students in the Yellow and Blue rooms will be swimming on Monday whilst the students in Orange, Red and Green rooms will be swimming on Tuesday.

Sub-Committee Meetings
Finance: Monday 1st Aug (3:30 pm - Staff Room)
Buildings and Grounds: Monday 8th Aug (6:30 pm - Staff Room)
Fundraising: Wednesday 3rd Aug (3:30 pm - Kitchen)

Lunch Orders
On behalf of the school I would like to thank Sharon, Danielle and Andrea for the amazing job that they did with the Lunch Orders. The kids absolutely loved it!

Learning Journals
All students will be taking home their personal learning journals this week or next week. As mentioned in previous newsletters, the learning journals are aiming to provide up to date feedback to parents and students about their academic progress. The decision to undertake this process across the school is based on educational research that clearly identifies that feedback is the most important factor in student learning. The learning journals will be updated on a consistent basis throughout the remainder of the year. I encourage all parents to use this resource to form conversations with your child about their learning. As a result, the partnership between school and home will be much stronger.

Concrete Path
We are still waiting for the weather to clear for the work to commence on the concrete path. I will hopefully have a confirmed date by the end of next week.

Reading
Reading every night at home is a very important practice for students. It also gives opportunities for parents to spend quality time with their child and to ask questions and discuss ideas. Hearing your child read is just as important in the older years as it is in the younger years. Reading is the key to learning!

Athletics
Students in Grade 4, 5 and 6 will be participating in the TUBBS Athletics Competition next Thursday at Howitt Park. We wish all the students the best. In Term 4, our school will be holding an Athletics Competition with all students form Prep to Grade 6.

Thank-you

Targeting Unique Personal Strengths
Bee Awards

Students who have been recognised for demonstrating the behaviours that represent the school values are:
