School Photos

School Photos were taken last Friday with all our students making a special effort to look their very best. The smiling efforts in the photos scored a high cuteness rating with a special effort by all in the whole school photo, which even included our adorable Rainbow Room students. The turnaround for the delivery of the photos is about 6 weeks.

Principal's Report

Mothers' Day Morning Tea

The Mother's Day Morning Tea was a huge success on Tuesday morning. We had a hive of activity in our school kitchen with the students serving their lovely mums scones, slices and cups of tea and coffee. With over 20 mums in attendance, it was such a lovely sight to see the kids and their mums sharing this special moment together. This gathering wouldn't have taken place without the awesome work of the Fundraising Committee, Lucy, Claire, Casey, Mel and Tash. Thanks so much for your efforts to support the kids to do something special for their mum. Further to this, on behalf of all the students and staff at Tambo we wish all the mums and people who are playing that role, all the very best for Sunday and hope that you receive some lovely gifts and most importantly get lots of hugs, kisses and love.

Toddlers Program

Our Toddlers Program on Tuesday mornings has gotten off to a great start with lots of mums and toddlers participating in the program. Jade, the facilitator, is doing a marvellous job creating a warm and welcoming environment. A slight adjustment to the start and finishing times has been made to better cater for everyone, the program will begin at 9:30am and will finish at 11:30am. Please touch base with Jade on 0477 738 303 or myself for further details.

Lunch Orders

Our first round of lunch orders got off to a great start with $\frac{3}{4}$ of our students placing an order of Spaghetti Bolognese. Party Pies and Sausage Rolls are next on the menu and will be served up next week. Hayden is running the lunch order program this term and you may have noticed that a percentage of the profit sales are going back into the school. It is to this point that I want to clarify how the remaining money is attributed. Hayden is not employed by the school on the day he makes and delivers the lunch orders. The income he makes at school on lunch order day comes only from the lunch order sales. I appreciate the enquiries made to clarify this point as the aspect of transparency is very important.

Mark Chandler.
